P.O. Box 1450

Sir:

The Examiner is invited to telephone the undersigned if the Examiner would like to discuss this submission.

A Notice to File Missing Parts, advising Applicants that the Declaration was missing, was mailed on December 23, 2003.

In response to that Notice, a Declaration was mailed on January 16, 2004.

It appears that no subsequent communication concerning the Declaration was mailed by the U.S. Patent Office to Applicants.

It was recently discovered that the Declaration mailed on January 16, 2004 was missing the signature of Nanfel Zou. A Declaration signed by Nanfel Zou on October 15, 2003 was found in Applicants' file for the above-identified application. The attorney who was responsible for this application, and who responded to the Notice of Missing Parts is no longer with Schering Corporation (Applicants' assignee).

-2-

The undersigned did not know if a Declaration for Zou had already been filed, or if Zou's Declaration in Applicants' file was intended to be filed but inadvertently was not filed.

The undersigned went on-line to check Applicants' file wrapper through PAIR to see if a Declaration signed by Zou had been filed. The undersigned only saw the Declaration that was mailed on January 16, 2004 (the one missing Zou's signature).

Therefore, the undersigned is now submitting Zou's Declaration signed on October 15, 2003.

Respectfully submitted,
